

Centering Healthcare Institute presents its

## 3<sup>rd</sup> National Conference on Group Care

San Antonio TX, February 7-9, 2010

The Power of Connection: Leadership for Healthcare Innovation

### Poster/Storyboard Exhibit

CHI invites researchers and clinicians to submit for poster/storyboard exhibit at our 3<sup>rd</sup> National Conference on Group Care in San Antonio TX, February 7-9, 2010

This is a chance to share your story with others who are interested in group care!

#### Details

Submission fee: \$25.00

Set-up: Monday, 2/7, 7:00 AM-9:00 AM

Poster reception: Monday, 2/7, 4:00-6:00 PM

Break down: Tuesday, 2/8 1:00-2:00 PM

#### Logistics

- At least one author be a registered Conference participant and be present at the poster reception Monday evening.
- Judging will take place following the poster reception. Prizes (one in each category) will be announced and awarded at the beginning of Tuesday's Conference program.
- You are welcome to bring your own handouts for distribution.
- Each poster will be assigned a 4'x8' corkboard on an easel.

#### Category 1: Research Poster

- Explain design of study
- Present outcome(s)
- Create an engaging and effective display

*Everyone is always eager to learn more about how group care is working!*

#### Category 2: Clinical Storyboard

- Highlight your Centering program
- Tell your story
- Create an engaging and effective display

*What has worked well for your agency may inspire someone else!*

**Comments from our 2008 Conference**

*Truly inspiring. As a medical student – this is deeply impacting my thinking about the type of doctor I want to be and quality of care I want to provide. These were interests I have always had but how affirming to know what a supportive and structured community exists.*

*I wish I could have been in 2 or 3 places at the same time.*

*Excellent – can't wait to come back!*

*Very, very good – good for professional life and very good for personal life.*

*Very good information presented on the need for change in our practices.*
